Join Us

The Forestry Safety Association of Newfoundland and Labrador (FSANL) is pleased to host the 5th annual Health and Safety Conference. We extend this invitation for you to join us for this one day event that will be filled with relevant and timely topics aimed at the interests of your industry.

Katherine Kehoe will share with the membership the importance of having an Early and Safer Return to Work program (ESRTW) and how it works.

Kathryn Kehoe has worked in the field of disability management for over 10 years. She started her career in the insurance industry, managing short and long term disability claims. For the past 9 years she has worked at WorkplaceNL, initially as an ESRTW Facilitator before moving onto a Case Manager position. Since June 2014 she has worked in current position as Return to Work Program Coordinator. She is a registered Certified Disability Management Professional (CDMP) also audits Disability Management programs under license through National Institute of Disability Management and Research.

Plus

- Jan Michaelsen from FP Innovations will discuss safety innovation in the forest sector.
- A personal story about a workplace fatality from Ric Tull, Vice President & General Manager of Corner Brook Pulp & Paper Ltd.

Sherry Dean is a motivational speaker and will share some of her life experiences with us.

Sherry is a retired Registered Nurse who worked with Western Health for thirty-five years, during which time she took a keen interest in all areas of personal and professional wellness. She competently facilitated a leadership program for staff at Western Health and since 1982 has presented on aspects of wellness to various groups throughout Atlantic Canada. Sherry is also a past president of the Bay of Islands Toastmasters Club, with whom she has achieved Advanced Communicator Bronze status. Sherry lives in Corner Brook with her husband, who, since they both retired, she has unsuccessfully attempted to drag to the top of Mt. Kilimanjaro in East Africa; successfully dragged along the path of Hadrian's Wall that crosses northern England; and ran behind him in a wine-sodden marathon in the south of France.

- COR™ information for the forestry sector.
- Bay of Islands Search and Rescue will discuss search techniques in the forest.
- A supervisor's responsibility on the job.
